Why have we requested a specific brand?

- **5 Star® - Zippered** style, has consistently proven to be durable enough to last all year.
- Other pencil brands have been breaking our electric pencil sharpeners.
- Other brands of glue stick just don't hold as well or last as long.
- **Clorox®** brand is requested in compliance with Accreditation standards.

Please Note!

- To save you time and money - We will provide folders for all students, so that we can coordinate the right color and style with each class.
- We have tried our best to limit the list to only items your child truly needs. If the item is on the list, please buy it, so that your child will have what they need for the school year.
- If you can not purchase something for any reason, please contact your homeroom teacher.
