*I am asking you my friends & family to help support me in my journey to becoming the champion of the year for Best Buddies of WI. Let me tell you why Best Buddies is so special to me.*

*As most of you know I am favorite auntie to Kate who has Downs Syndrome. But Kate isn't the only special needs person in my life. I have an Aunt who has had challenges her entire life after childhood sickness that left her with brain damage. One my best friends & her husband had their special needs daughter taken away to soon. Many of you are also close to others who have challenges in life.*

*Best Buddies is an organization that works to ensure friendship & inclusivity for all! Maybe you are familiar with the school programs. But do you know they also have an adult program. I recently became matched through Best Buddies with my own buddy Kris.*

*My hope is that individuals of all ages & needs can experience a true friendship like the one Kris & I have developed. Please consider supporting me & Best Buddies of WI to make my hope come true!*

*I set a lofty goal of fundraising goal of \$10,000 so if you know of companies that would consider sponsoring Best Buddies or donate raffle items please let me know!*

*Thank you for supporting me in my efforts to raise money for Best Buddies. Your contribution is greatly appreciated. Through Best Buddies, thousands of people with disabilities have successfully moved from segregation and desolation to a new acceptance in their family and community. In turn, Best Buddies has created a new spirit of public service for thousands of middle school, high school and college volunteers that will last a lifetime. ~~~ Jennifer*
