Hello everyone:

Today was our first performance of the Christmas Program. The students did and exceptionally wonderful job! We will perform again on Friday at 1:00. On Friday students should wear red and/or green again and if possible, they should dress up. Some of the girls wore dresses today and it was super cute. A couple of the boys wore dress shirts, and this was very nice as well. Please do not feel like you need to go out and buy something. If you already own a Christmas outfit feel free to wear it on Friday. The reception that the parents are putting together will be right after the performance. The performance is about 15 minutes. The students wrote 1 song and will sing 5 songs. The students also wrote a poem and will recite that too. After the performance and the reception, feel free to take your child home with you. Please let the bus company know if your child is not riding the bus on Friday.

Tomorrow will we still go the Urban Ecology even if it is still this cold. Your child should wear layers of clothes, hats, coats, snow pants, gloves and boots. We will only be outside as long as is safe. Thank you for your help with both of these fun filled days.

Thank you,
