Hi everyone... one more attempt to help you find a summer camp for your child. I have sent this before and it's worth looking at.

Dear St Coletta Families,

I hope this email finds you well. My name is Roger Coleman and I hold several roles at the Urban Ecology Center; one of which helping the Environmental Education Department with administrative support. While reviewing summer camps for this and past summers, I have noticed that St. Coletta has taken advantage of our Pathfinders camp. We'd like to make sure this this camp is on your radar so that there aren't any missed opportunities for your students to have an awesome summer at a UEC camp! Feel free to share this information with any interested students or families. I am always available to answer any questions you may have. You can find spot availability below:
