

Thanksgiving Dinner 2017

We are excited to announce that we will be having our Thanksgiving feast again this year. The students and the staff will spend several days preparing a Thanksgiving meal from scratch. Then on Tuesday November 21st each student can have **one guest** come and share the food and fellowship we have prepared. Students will be asked to bring in one of the ingredients needed to make our meal. **PARENTS SHOULD NOT COOK ANYTHING, WE WILL DO ALL THE COOKING AT SCHOOL.** We also would like to know if the students are bringing a guest so we are asking for a RSVP.
