Weekly Update January 16, 2018

Important Dates:	Wednesday, January 17	Full day of school; evening conferences
	Thursday, January 18	No school- conferences
	Friday, January 19	No school- conferences

What's Happening?

Please be sure to check the Weekly Update and the monthly school calendar for important information. There were several phone calls and texts on Sunday evening and early Monday morning questioning whether we had school on Monday January 15. In most cases, the information will be in the calendar. You can always check the school website if you misplace the calendar. I don't want to discourage clarification. Please DO use the resources available if you are in doubt.

Conferences

Please check your conference times for Wednesday, Thursday and Friday of this week. We will try to keep on a schedule, as there are many conferences to get through. Please do not be offended if we set a timer to keep on track!

Important

Remember that Monday, January 22nd is a FULL DAY of SCHOOL for St. Coletta Day School. St. Sebastian School is not in session that day. If you typically send a bag lunch with your child, you should do so on January 22. If students typically take hot lunch, we will be making a lunch with those students.

St. Valentine's Day party... because Valentine's Day is also Dominik's birthday, Dominik's family is going to provide Pizza that day! So, in addition to the Signup Genius that will be available for treats, we will have pizza in honor of Dominik! Thanks Dominik!! If you are planning on sending in Valentines to be handed out, please be sure to have one for each student. We wouldn't want anyone to feel left out! A list of student names is included with this email.

Website update

If you haven't seen the school's website recently, check it out! There is a lot of information located there including things like the school calendar, lunch menu, special events, the Weekly Update and the school report card. Most of these points of interest can be accessed directly or viewed via a link. We keep trying to add more and more to the website as an informational resource for you. If you have a suggestion of other things that we could include, please run it past Mr. Bill.
