Halloween Party

This Friday, October 26 is our Halloween party! Mr. Bill is declaring Friday as a Dress Down Day! Remember, if your child is considering a costume for that day, they should BRING it to school. In other words, they should NOT wear it to school. There will be time to put their costumes on before the festivities begin. It sounds like there will be treats and activities that afternoon. YAY!!

Reminders

Thank you to all of the families who have been providing meals for Mr. Tom. I know that it is greatly appreciated. He hopes to visit the school this week during our Halloween party!!

Our "Spirit wear" day is every FRIDAY that we are in school. Every other school day is a UNIFORM day unless it is a special dress down day. We will do our best to give you notice about those special dress down days. The other exception is when the student chooses to use a dress down coupon that they have earned. Note: dress down coupons are dated (usually for the end of the month in which they were given).

Birthdays

We would like to start celebrating student's birthdays with a little added incentive. They may use their birthday as a chance to dress down for the day!! St. Sebastian School does this and our students asked if we could do the same. Absolutely!! If a student has a summer birthday, we will make sure that they have a special dress down day near the end of the school year!

Sibling ticket order forms were send home Monday. When you return the order form, please include the payment for any sibling tickets that you are requesting. If you are making payment by check, make the check payable to St. Coletta Day School or SCDS. I have received some forms back already, but there was no payment included.

Posters and invitations are now available for the event!! We handed out posters at the Parent meeting and you are able to request invitations to hand out to your family and friends. Remember that if your friends and family are on the school's database, they will receive their invitations in the mail.

Mike Strehlow from channel 58 will be our guest host for ColettaScope this year. He will also be visiting our students at school on Tuesday, October 30 in the afternoon.

Reflection: "You cannot make someone understand a message that they are not ready to receive."

"To be happy... free your heart from hatred, free your mind from worries, live simply, give more, expect less." (unknown)
