Weekly Update November 6, 2018

**Important Dates** Friday, November 9 No School-ColettaScope prep

Saturday, November 10 ColettaScope!

## Reminders

Our “Spirit wear” day is every FRIDAY that we are in school. Spirit wear is defined as either our St. Coletta shirts... a shirt with our school logo & mantra on them, or a St. Sebastian spirit wear shirt.

Sports team shirt are NOT the spirit wear that we are looking for. You can save those for another non-uniform or dress-down day. Every other school day is a UNIFORM day. The other exception is when the student chooses to use a dress down coupon that they have earned. Even then, the dress-down attire needs to be appropriate. Note: dress-down coupons are dated (usually for the end of the month in which they were given).

And... speaking of Spirit wear, the order forms for new spirit wear should be available this week! Watch for the form to come home in your child’s folder.

## Quarter 1

The first quarter of school is complete. Progress reports are being finalized and we hope to send them home on Monday, November 12th. Questions regarding progress reports should be directed to the teacher that is teaching the that subject. If you need help figuring that out, contact your child’s homeroom teacher.

## Your help is needed

Please help your child remember to give you their home folder every night after school. If you help your child create a routine, then they can become independent and the important papers are delivered to you. We have seen a lot of full folders lately. The folder should be emptied every night. Thanks for your help.

## Mobymax

Many of our students are and will be bringing home Mobymax certificates that celebrate your child’s perseverance and commitment to learning. Ms. Rachel will print these certificates once a month and we will display them in the hallway by room 1 and room 101. When the new certificates are hung up then the certificates from last month will be sent home. Look for the September certificates in your child’s home folder. Please continue to have your child work on Mobymax at home. Ms. Rachel is running contests every month and the students that win get to pick the prizes. The current contest runs till November 13th. If you need help logging into Mobymax, please make an appointment with Ms. Rachel and she will help you.

## ColettaScope

ColettaScope is this Saturday, November 10 at Mount Mary University. We are excited that it is finally here! We hope to see you all there. Your family complimentary tickets were sent home Monday. I also included any additional tickets that you purchased for siblings. The event starts at 6:00 so you may want to arrive about 5:30 to get your child ready for the event. You should first check in at registration and

then check out the respite room for the students. You may not need to use it right away, but it'll be good to know where it is. Volunteers will direct you to the location. If you have been to ColettaScope in the past, it is in the same room that it has always been.

If you are helping to load and unload all the items that need to be transported from school to Mount Mary University for ColettaScope, please be at school by 3:00 on Friday, November 9. We will meet on 54th St. near the Parish House (as that is where most of the items are). Last year, this process went very quickly! Everything is boxed or bundled and ready to go so the process should run smoothly again. If you are not certain if you are helping or not, you don't need to be concerned about it!

## Support

Soon after our "ColettaScope" fundraiser is the St. Sebastian Parish fundraiser. We receive such amazing support from our host school and this is one way that we can help to support THEIR mission.

Many St. Sebs families and staff attend ColettaScope. Our St. Coletta families will also be donating a gift basket to St. Sebs that will be auctioned off at their event. More details at the November Parent meeting. Let's show them OUR support by supporting their event.
