**Important Dates:**      Thursday, November 9      Field trip to DSHA for “The Little Mermaid”  
Friday, November 10      No School- Teacher In-service  
Saturday, November 11      ColettaScope! See you there!!

## What’s Happening?

Our trip to see The Little Mermaid at Divine Savior/Holy Angels H.S. is all set for November 9. We will have an early lunch that day. Hot lunch is still planned for those who normally take hot lunch.

There is no school on Friday, November 10 due to Teacher In-service. We will also be setting up for ColettaScope Friday in the early evening so that we are ready for Saturday’s event!

There is still time to order St. Coletta Spirit wear if you have not done so yet. Order forms should be turned in by Friday, November 3... YES, that’s THIS Friday!

Thanksgiving is right around the corner and we would once again like to plan a traditional Thanksgiving lunch with and for our students. Ms. Rachel is working on details and those will be sent home soon. Watch for it in your child’s Take Home Folder.

Thank you to all who had a hand in our Halloween Party last Friday. It was a great day and everyone had a ton of fun! Thanks especially to Kristi Haanstad for organizing that event and to our “student” committee: Anijah, Lukas, Abby and Micah. Great teamwork everyone!

## ColettaScope

Your family ColettaScope tickets will be sent home on Monday, November 6. Your order form for additional tickets is due Friday. If you are not ordering additional family tickets, you will be receiving your tickets as well on Monday.

We hope that you will be able to arrive at Mount Mary University between 5:30-5:45 so that the students will be there in time to greet our guests and get situated in their respite room. Look forward to a fun evening all to benefit our great school!

We have at least one student who is in need of a ride to ColettaScope. If you think you might be able to help out, please email Mr. Bill ([scdsmke@gmail.com](mailto:scdsmke@gmail.com))

The students will be hanging posters in some of the businesses around the neighborhood starting tomorrow (Thursday). We will be visiting businesses on North Ave. and Vliet St. and spreading the word about our event. The participants in our Transition program have already been distributing posters when they have been out and about on their excursions. Look for those

brightly colored posters and if you see a place that needs one, take a poster there yourself. Thanks again to Lukas B. for lending his artistic talents to the design of this year's poster art.

You may recall me saying that we usually have three pieces of student artwork in the voice auction at ColettaScope. The original artwork that is used for the poster and invitation is one piece. There is a collaborative piece that all of the students worked on this school year, so everyone is represented. The third art piece will be created AT THE EVENT! I know...how exciting is that? Guests at the event will have the opportunity to help create the one-of-a-kind artwork that will then be auctioned off during the voice auction part of the evening.

If you have something you would like to share through the Weekly Update, please let Mr. Bill know and send him an email with the information.
