Weekly Update      November 29, 2017

**Important Dates:**      Thursday, December 7      Urban Ecology Center

## What's Happening?

Lots of reminders today...

**Regarding Special Needs Scholarship Program: Please** send in a copy of your utility bill (dated after August 18 and before October 1... anything other than that will not be accepted).

This is only for families who received an email from Bill or Jen on Tuesday. If you did not receive an email from us yesterday, this does not apply to you. (In other words, any new families THIS YEAR, are good to go)

If you are comfortable giving us your weEnergies account info and password, Jen can go on-line and retrieve the documentation that we need. You should contact Jen directly with that info.

Her email is [jsowinski.scdsmke@gmail.com](mailto:jsowinski.scdsmke@gmail.com)

Thank you to everyone who has already given us this information!

## Christmas Gift Exchange

The students have picked the name of one of their classmates (shh... it's a surprise!) All we need now is their \$5 so that we can go shopping for their gift! Some of you have turned in your \$5 already... thanks for that. If the rest of you could send the money in by Monday, December 4, that would be ideal. We will schedule a time to go shopping with the kids to make their purchases.

The classroom Christmas party and Gift Exchange will take place the afternoon of Thursday, December 21. It's a really fun afternoon of exchanging gifts and a little food. I understand that there is SignupGenius going around for the December 10th reception after the Children's Christmas Play. Sometimes we have enough items left over from that event to serve at the Classroom Christmas party. We can assess that on December 10<sup>th</sup>.

Remember the black clothes that are needed for the play. The rest of the costumes are being taken care of at school!
