Weekly Update February 21, 2018

Important Dates: Friday, February 23 St. Coletta DOES NOT have school

Parent Meeting

Tonight is the Parent meeting. Ms. Julie will have information on her summer SuperStars camp and there will be information regarding the St. Sebastian Fish Fry on Friday, March 9. This is the Fish Fry that St. Coletta families help with as a continuing effort to strengthen the partnership between our two schools. There will be a sign up sheet at the meeting.

What's Happening?

St. Coletta DOES NOT have school on Friday, February 23. However, St. Sebastian School does have school that day. There was a change in the yearly school calendar for St. Sebastian that was not communicated to me.

There is one additional change that is not on our yearly calendar. Friday, March 9 is a half-day of school for St. Sebastian, which was not on their original calendar. WE are in school a FULL day that day. If your child would normally take hot lunch on that day, the cafeteria WILL provide a bag lunch for those students. If your child typically brings their own lunch they should make sure they have their lunch.

Order forms for the St. Sebastian Yearbooks were sent home and need to be returned by March 8. These Yearbooks are very popular with our students and many are questioning why they don't have one when they are delivered in May. So be aware that your child may want to order one.

Milwaukee Bucks Opportunity

The Milwaukee Bucks is running a contest for perfect attendance in the month of February. Any student with perfect attendance in February will receive information at the end of the month for discounted tickets to a Buck's game! We're keeping track so watch for that information to come home at the end of the month.

Thank You!

Thanks to all the parents who helped with the Valentine Day Party and special pizza treat! The students ate well that day!!
