Weekly Update September 13, 2018

Important Dates Wednesday, September 19 Field Trip to the Farmer's Market

Reminders

We are doing well getting the necessary forms and documents returned to school, however, there are still a number of items that need to be sent in. PLEASE get those returned by tomorrow. Ms Jen has sent out reminders to the families who still need to turn items in.

We are going to do a better job next year of getting the forms to you during the summer so that all is order when we begin the new school.

If you missed Drop-In Day at the beginning of the school year, you also missed Picture Day! On Wednesday, picture proofs were sent home to the families who were here for Picture Day. The rest of you can look forward to Picture re-take day on October 19.

The first Parent meeting of the school year was very successful. We had 60% of our families represented. Katherine will send out a summary of the meeting, however, we are in need of a parent to be our recording secretary at the meetings. This is an important job because we need to show that we are actually meeting and keeping track of the business of the group. We will need this documentation for accreditation.

If you were not at the meeting, we will send home a syllabus that Ms. Rachel put together about the academics that we will be studying this year. Also included will be instructions on how to access Moby Max and Reading A-Z.

Field Trip

Wednesday, September 19 is our first field trip of the year... our annual trip to the Farmer's Market at Zeidler Square in Downtown Milwaukee. This is always such a fun, and educational trip. The students are using public transportation with their M-Cards, reinforcing how to interact with people and vendors, making purchases with their own money, acting responsibly and on and on. It's a great day and the weather looks like it will be awesome. Thanks in advance to the parents and family members who will act as chaperones that day.

Support

Many of our families supported Holden and his Fundraiser a while back. Congratulations!! It was reported at the Parent meeting last night that you helped raise an amazing \$6,000!! This will help with expenses for Holden's upcoming surgery. Thanks to everyone who helped and participated in the event. "We're with ya on this Holden"!

Reflection: *"The only way to do great work is to love what you do."*
