Weekly Update September 20, 2018

Important Dates Thursday, September 27 Urban Ecology Center

Reminders

The most important reminder today is that tomorrow, Friday, September 21, is the Department Of Public Instruction third Friday COUNT DATE. Please make sure that your child is in school tomorrow!

If, for some reason, you have an appointment or need to pick up your child early, please have them attend as much of the day as possible. Our SNSP funding is directly related to this funding source and the DPI looks at attendance on the third Friday of September to help determine that funding.

Field Trip

Our first trip to the Urban Ecology Center is Thursday, September 27. As a reminder to most of you, and a note to our new families, students may wear appropriate dress-down clothing whenever we attend the UEC. In most cases, jeans and sweatshirts are most appropriate for these trips. Be aware of the weather conditions. Even in rainy weather we are outdoors some of the time. Often

Support

Some of you may remember Darlene Tully, former teacher and Assistant Principal from St. Sebastian School. Her cancer has progressed and she is in her final days. If you would like to send a note, you may send it to this address: **5211 W. Washington Blvd Apt #2 Milwaukee, WI 53208**

Reflection: “If you are not willing to learn, no one can help you. If you are determined to learn, no one can stop you!”
