Free/Reduced Lunches Opportunity

Now that St. Sebastian School has gone to a Virtual Learning model, students who are eligible to receive Free/Reduced lunches will now be available for pick up. There will be one day available to pick up lunches for a week at a time. On that pick up day, you have options for the time of day that you would pick the lunches up. St. Sebastian School Lunch Program is planning to provide lunch to those who either qualify for Free & Reduced Lunch or for those who wish to purchase lunch over these all-virtual weeks (and moving forward, as is helpful to our families and within our capabilities). You should contact Ms Naomi directly if you have any additional questions.

Please see the survey below - WHICH ALSO INCLUDES OTHER QUESTIONS WE NEED ALL PARENTS TO REVIEW - to sign up, if interested. Remember that this survey was designed by St. Sebastian School, so even though the first survey question is about St. Sebastian School, you should still answer 'yes' in order to be able to complete the rest of the survey.

Student Virtual Schedules

There are some changes to the student's Virtual schedules. This should make it easier for them to get their asynchronous assignments completed. Some of the changes shown below with **Red Arrows** pointing towards them. We are showing changes in Monday and Friday, however these changes were added to every day. Art, Music or Urban Ecology happen every Friday that there is school. We have noticed that there are many times throughout the day when the students should be working on assignments and they are not. The new changes should make it work much more efficiently. The asynchronous schedule time is an important part to the overall schedule and will be noted as such in the Progress Reports. It remains essential that you are able to monitor this asynchronous learning time with the students.

Assignment Due Dates

Now that we are in the 2nd quarter and people are comfortable with the schedule and expectations, we would like to remind you that all assignments should be submitted on time. If there is an extenuating circumstance, assignments will be accepted up to one (1) week after the due date. After that grace period, for unusual circumstances, submissions will no longer receive credit.

No Attachment

If your student turns in a google classroom assignment without the needed attachment or without filling out the form, then the assignment will be returned to your student with no grade and the student will be asked to attach the photo so the assignment can be graded. The assignment will end up in their missing list until they resubmit it with the necessary attached photo.

When In Doubt - Please Check Our Website!

The school's website is a treasure trove of information. - [scdsmke.org](https://www.scdsmke.org)

There, you will find the answers to so many of your questions; *(these are actual questions that have been asked)*

- "Is there school on Thursday?" = <https://www.scdsmke.org/important-dates.html>
- "When is Christmas Break?" = <https://www.scdsmke.org/2020-2021-school-calendar.html>
- "I misplaced my Weekly Update, is there anything important I need to know?" = <https://www.scdsmke.org/weekly-updates--important-informaion.html>
- "What is Ms. _____'s email?" = <https://www.scdsmke.org/our-staff.html>

Our students are constantly encouraged to "use their resources" - for example; Looking up the definition of a word in the dictionary instead of just asking thier teacher or parent what it means. As adults we need to encourage that self suffiecient behavior by modeling it ourselves.
