Once again, we will have someone outside (weather permitting) to collect the iPad, charger and cord. Please have those items in the dark blue bag that we provided for you. iPads will be cleaned, inspected, and updated during Spring Break and will be ready for pick up on Friday April 9th between 3:45PM and 5:00PM. OUR PLAN FOR MOVING FORWARD

Unless anything major happens, next year's plan is to return to all in-person learning. Whether we still have to wear masks, remain physically distance, and create small groups (cohorts) is still unknown, and depends on circumstances as they unfold over the summer. We will continue to take our lead from the medical experts - the CDC, and the Milwaukee Health Department, as applicable. The 2021-2022 school year will be as close to a "return to normal" as we can provide, and we will continue to keep you informed along the way as decisions are being made.

SPECIAL PRAYERS NEEDED

As we head into a week of vacation, please keep everyone in your prayers and thoughts so that all remain safe and healthy. Especially remember Abby N. and Cullen who need some extra prayers for fast healing! If people are traveling this holiday, please be safe and continue to make good choices with masks and distancing. And we can all be thankful for anyone planning to be vaccinated! Starting Monday, April 5 everyone over the age of 15 will be eligible to receive the vaccine. There is much to be grateful for.

THE MESSAGE OF THE EASTER SEASON

When you think of the Easter season, you might think of bunnies, colored eggs and candy. Or you might think... ah, I have some time off and a chance to relax. You might think in terms of the religious holidays that historically help to frame the spring season. For Christians, it is the resurrection of Jesus Christ. For those who follow the Jewish tradition, it is the time of Passover. Any way you look at this time of year, one thing is certain... it is springtime and with this renewed season comes the rebirth of the land. We see signs of spring all around us. The air becomes consistently warmer (or at least more tolerable), flowers begin to grow and we see our neighbors once again after a long, cold winter. It is a time of change. It is a time of new life and increased activity. It is also a good time to reflect and offer gratitude for all that we have. After all, we always have each other. We can support and nourish ourselves as well as our neighbors. It is a good time to examine what it means to be part of this world, this earth, this place we call home.

THE SCHOOL OFFICE WILL BE CLOSED

In observance of the Easter holiday and our spring break, the school office will be closed on Friday, April 2 and Monday, April 5. The office will reopen on Tuesday, April 6
