## Smile!

Tomorrow is picture retake day for anyone who has indicated that. The pics will be taken early in the morning.

## Halloween Festivities

There is a group of parents who are working on putting together a fun-filled afternoon for our students for Friday, October 25. There will be activities, refreshments and perhaps a short video. Students who would like to bring a costume for the fun may bring it to school on October 25. They will have an opportunity to put their costumes on after lunch. What works best is if the costume is able to be worn over their school clothes. (It gets a bit chaotic when 350 students are trying to put their costumes on at the same time!) **Note: Students should NOT wear their costumes to school.**

## ColettaScope

The invitations were mailed last week. You and anyone you know who is on our mailing list should have received their invitation. We also have extra invitations and posters available at school. If you need some, please let your homeroom teachers know that and we'll send them home. I would encourage you to put posters up anyplace that you frequent to help advertise the event. This is our only fundraiser for the school year.

## ColettaScope T-Shirts

Once again, our Board of Directors has gifted our students and staff with T-shirts for this year's event. They should arrive in plenty of time for everyone to wear the new design at the event! You were given information to order additional shirts (for a cost of \$25). The orders were due on Tuesday. There may be a possibility at the event to place an order for more shirts. A limited supply of shirts will be on-hand at the event for guests to purchase.

## Attendance

All of our families are doing a great job getting our students to school every day! Remember this... Our day starts at 7:45. Some students who take the bus to school are here by 7:30. If everyone gets here by 7:45, our school day starts on time and everyone is happy! If you are reporting a student absent, PLEASE call the school office number: 453-1850. Parents should not text their child's homeroom teacher as they are likely busy getting ready for the day and those texts may not necessarily be read in time. What works best is when you call the office.
