Weekly Update November 8, 2019

Important Dates: ColettaScope! Saturday, November 9

ColettaScope

It's here!!! Our signature (and only) fundraiser for our school is tomorrow, Saturday. A lot of work has gone into this year's event and we are expecting excited guests to learn more about our school and our amazing students.

You should have all received your family complimentary tickets along with a letter explaining the evening. Ms. Rachel also sent an email yesterday with more details so if you haven't read those yet please do so.

We do have a family in need of a ride to and from the event. So, if anyone is coming from the northwest side of town and might be available and willing to pick up someone, please email Mr. Bill for details.

See you all tomorrow at Mount Mary University for a fun-filled night!

Arrivals, Departures and Appointments

More information about transportation... especially those students who ride the bus. Please, please, please call the bus company if you are making other arrangements for transportation especially at the end of the day. Often, we get our students out to the bus at 2:45 only to realize that a student may have an appointment and the bus driver doesn't need to be there to wait for them. So please, call the bus company and let them know.

Cold Weather

Now that the colder weather has kicked in, please make sure that your child has all of the appropriate and necessary items... mittens or gloves, boots, hats and scarves. We go out for recess daily unless the weather is dangerously cold. Remember too, that the students are not allowed to wear their boots all day in school. They should have a pair of school shoes to change into. If you are able, they may keep a pair of extra shoes at school as some of our students do. Makes life simpler for everyone!

Snacks are Low

We are getting low on snacks so if you are able to provide some please do. There may be snack items left over from the Respite Room after ColettaScope. So, wait until week and we'll take inventory of that.

Reflection: "When you stop chasing the wrong things you give the right things a chance to catch you."
