Weekly Update December 18, 2019

Important Dates: Thursday, December 19
Friday, December 20

Urban Ecology Center
Christmas Program!

Christmas Program

Hopefully you saw the email from Ms. Rachel regarding the fabulous performance that the students gave this morning for the St. Seb's students and staff. It was great! A preview of what to expect on Friday when they perform again for you. Check the reminders in Rachel's email about wearing red or green or a Christmas-type outfit. The students are on the stage the entire time so there really isn't time, (or need for...) costume changes. What they wear IS their costume, so make it festive for the Holidays!

A huge 'thank you' to Ms. Rachel, Ms. Courtney, Ms. Traci, Ms. Sarah, Ms Gabriela and our Music Therapists Ms. Jess and Ms. Sarah for all of the work that goes into a production of this type. The work is hard and the payoff is huge!

And again, here's a reminder of the short 'n sweet reception in the church hall immediately following the performance. Thank you Katherine G. and all the families who are supplying goodies for the reception. With the program starting at 1:00, we should be finished with the songs by 1:15, go right into the reception and probably be done with everything by 2:00. At that time, you are welcome to leave with your child.

School resumes on Monday, January 6, 2020. I can't believe it's going to be 2020!

Urban Ecology Center

Tomorrow, Thursday, December 19 is our trip to the UEC. Dress warmly as the students will be outdoors for a time!

A Season of Giving...

This holiday season, let's remember all of the different ways that people give of their time, talents and treasure. This is especially true of our amazing staff! This is also true of our amazing students. Even though they have been working diligently on their academic lessons, they found time to produce beautiful gifts for all of the people at St. Sebastian who help to support our school. Tomorrow, they will have a chance to distribute those gifts.
