December 28, 2018

Hello everyone,

First of all, Thank you to the Parent Group and the Board of Directors for the Christmas gifts! I know that mine have already been put to good use. I am grateful to work for and represent a school and an organization such as St. Coletta Day School.

And secondly... Happy New Year! I am hopeful that everyone was able to refresh themselves during the break and will be ready to return to school with renewed energy and a healthy outlook. 2019 will be an exciting year for the school. There will be some changes and some affirmations. One of the most important and exciting events that will happen is our re-accreditation at the end of February. Every seven years our school goes through a process of reflection and organization that results in an accrediting team visiting the school to see how we are doing. After they have spent some time with us, they will write a report, likely with some recommendations, which will let us know how we are doing. With the hard work and dedication that is going into this accreditation, we should be able to ease into the new year with assurance that we will be a fully accredited school for the next seven years.

So, there is a lot of work to be done as we look toward the accreditation team visit and then continue to look toward the end of the school year so that we can reflect on all of the progress our students are making. We are a strong school with a supportive Parent Group and Board of Directors. Let's go into this New Year with a positive attitude, a hopeful outlook and with renewed energy and kind hearts.

Happy 2019!

Bill
