Weekly Update      March 19, 2019

<b>Important Dates:</b>	Friday, March 22	No School
	Monday, March 25	No School

## Parent Meeting

Our guest speakers talked about employment possibilities for our future workforce. Watch for the minutes with details from the meeting. Future meetings might have someone coming to talk about guardianship.

## Reminders

Many of you are making sure that your child is at school on time. Thank you. Just a reminder that our students should arrive at school between 7:25-7:45 ready to enter the building at 7:45. Coming 10-15 minutes later than that puts them at a disadvantage. They really need that time to get their morning routine finished and be ready for lessons to begin. So please, get your child here by 7:45.

**Remember that we do not have school this Friday, March 22 and Monday, March 25.**

## Other News

Ms. Traci is back and thanks everyone for their prayers and thoughts for her father who passed away. A collection is being taken to purchase a plant or tree of some sort for Traci to add to her landscaping at her home.

## Accreditation Report

The final accreditation report arrived today! As expected, it is a very favorable report with only a few fixes. Once Mr. Bill figures out how to separate the summary from the rest of the self-study, he will send it to you for you to read.

As a result of the accreditation report we will be making a few changes to some of our procedures that may affect you and the students. These will be noted in the next Family Handbook when it is reprinted.

## Social Skills

There is a homework assignment being sent home today as a follow up to our Social Skills lesson today. The students watched a video and talked about how to STOP, NAME YOUR FEELINGS, CALM DOWN.

*Reflection: "In life you'll realize that there is a purpose for everyone you meet. Some will test you, some will use you and some will teach you. But most importantly, some will bring out the best in you."*
