Weekly Update April 16, 2019

Important Dates: **Friday, April 19-April 26** **St. Coletta Day School Spring Break**
Monday, April 29 School resumes

‘Things are a Changin’

Since January 2019, we have seen a few changes here at school. We have added a new classroom teacher, Ms Courtney Roskos, and a new teaching assistant, Ms Sarah Bechitsao. We are creating many ‘job opportunities’ for students all around our St. Sebastian campus. We have completed our Accreditation process for the second time in the school’s history and successfully met all of our goals! All of these things are making our school stronger and we can be very proud of that!

Reminders

Jen’s husband Jim is doing well. He is home and recovering. There will still be doctor visits and rehabilitation, but things are moving in the right direction. The Meal Train for the Sowinski family is still open and waiting for you to sign up. I know that the family has been very grateful for your participation, so please keep it up!

The meal that you all helped to provide for the staff at St. Sebs and St. Coletta today was delicious! St. Coletta joined with the third-grade class at St. Sebs to make the meal a success. It is so appreciated by everyone. Thank You!

Easter Break

This is a short week. We are done with school on Thursday and the Easter break begins on Friday, April 19. We have the week after Easter Sunday off and will welcome the students back on Monday, April 29. After we return, there are still six weeks of school left. In fact, we are just into our fourth quarter grading period. In other words, there is a LOT OF LEARNING yet to be done. Please help your child to understand that this is an important grading period. Now is the time to show everyone just how smart they are having been in school for almost 8 months. Homework is IMPORTANT, daily lessons are IMPORTANT, attendance is IMPORTANT. Keep that momentum going in the last weeks of school!

Tomorrow, Wednesday, April 17 is a special ‘Easter Week’ service starting at 8:15. It is not a Mass. Instead, it is a service that tells the story of the days leading up to the celebration of Easter. Parents are welcome to attend and sit with your child. We should be finished by 9:00.

Reflection: “When you stop chasing the wrong things you give the right things a chance to catch you.”
