Weekly Update May 1, 2019

Important Dates: Wednesday, May 8 Parent meeting
Thursday, May 9 Urban Ecology Center

Reminders

There is a Parent meeting scheduled for Wednesday, May 8 at 6:00 in Room 101. This is the last Parent meeting for the 2019-20 school year. We will have information available for summer programs. Ms. Julie will be at the meeting to promote the SuperStars Arts camp.

With only 5 weeks left of school, we are busy planning all of the things that still need to be accomplished. This will be a concentrated academic time for all of our students so that we have some good data for the final progress report. Keep up the good work getting your children to school on time. Every day counts!

Head's Up. The end of the school year activities will include a few outings...

- **Thursday, May 30th:** Is our All-day trip with the Urban Ecology Center. This will also be our last UEC trip for the year. Students will need a bag lunch that day.
- **Wednesday, June 5th:** We are scheduling a day-long trip to the Milwaukee County Zoo. Details will follow, but you should know that we would like the students to either bring a bag lunch OR they can purchase lunch at the concession area. If you choose the option to purchase lunch at the Zoo, \$10 should cover the cost. We will have permission slips ready at the Parent meeting next week. If you can bring the money to the meeting as well, we'll be ahead of the game!!
- Our last day of school, **Thursday, June 6th** is the same day as St. Seb's Field Day at Wick Field. We are invited to participate in this fun day of activities as we have in the past. Again, details will follow as they unfold.

Reflection: "Charity looks at the need and not at the cause."
