Weekly Update      May 21, 2019

**Important Dates:**      Friday, May 24                      No School  
   Monday, May 27                      No School

## Reminders

Remember that there no school for St. Coletta students this Friday, May 24 or Monday, May 27. You have a long holiday weekend to spend with your families and friends.

Our trip to the Zoo is June 5. Some of you have already returned your permission slips and \$10 for lunch. Thank you for that! Try to turn in the slips and the money by Tuesday, May 28 if possible. We still have room for a couple of chaperones. If you ARE going to chaperone, let us know if you will be meeting us at the Zoo, or if you will be leaving from school with us and taking public transportation. We need to know this for planning purposes.

## Summer Projects

There may be several opportunities for parents, and maybe students, to help this summer with a few projects around the St. Sebs campus. St. Coletta has acquired some additional space in our 'Treehouse' the un-official name of the third-floor area in the St. Sebs parish house where our school office is located. We will have 2 additional rooms there that will need to be 'spruced up' a bit... cleaning, painting and moving of furniture. Mr. Bill will send out an email when we have more details of what needs to be done and when it can happen, so stay tuned.

We are also exploring a summer art/activity day but it is only in the thinking stages right now. Let Mr. Bill know if you would be interested in a half-day activity that would occur **just one time this summer**. If there is any interest, we will see what we can come up with.

## Head's Up.

When we go to our all-day trip to the Urban Ecology Center on May 30, we need the students to wear closed-toed shoes suitable for the rock wall. (Please, no skirts) Comfortable pants/shorts for climbing the rock wall will be appropriate. We will give additional information closer to the trip. They WILL need a bag lunch that day.
