Weekly Update May 7, 2019

**Important Dates:**      Wednesday, May 8                      Parent meeting  
   Thursday, May 9                      Urban Ecology Center

## Reminders

There is a Parent meeting scheduled for tomorrow, Wednesday, May 8 at 6:00 in Room 101. This is the last Parent meeting for the 2018-19 school year. We will have information available for summer programs. Ms. Julie will be at the meeting to promote the SuperStars Arts camp. Best Buddies will be here to supervise while we meet.

St. Sebs is hosting a “Grandparent/VIP” Day next Friday, May 17. Because of that, there will be no mass on Wednesday, May 15 but there WILL be mass on Friday, May 17. Grandparents or your child’s Very Important Person may certainly attend between 8:00-10:30 that day.

## Summer Opportunities

If we can put something together, would people be interested in a half-day art and activities day sometime this summer? We have some guest artists who were not able to get to school during the year but might be available to do a project in the summer. We can talk about this at the meeting tomorrow night.

St. Coletta going to finance a project in the school cafeteria! Those of you who are familiar with the school cafeteria know that there is an area on the east end of the room that we sometimes use as “classroom” space. We are going to purchase and install an accordion door to close off that area of the larger room for a more private space. St. Sebs will also benefit from this project as they will be able to use the space as well for Speech therapy, OT and for use after school for smaller groups. We have the approval and thanks from the school administration, the maintenance staff and the St. Sebs Building and Grounds committee.

## Head’s Up. The end of the school year activities will include a few outings...

- **Thursday, May 30** is our All-day trip with the Urban Ecology Center. This will also be our last UEC trip for the year. Students will need a bag lunch that day.
- We are scheduling a day-long trip to the Milwaukee County Zoo on **Wednesday, June 5**. Details will follow, but you should know that we would like the students to either bring a bag lunch OR they can purchase lunch at the concession area. If you choose the option to purchase lunch at the Zoo, \$10 should cover the cost. We will have permission slips ready at the Parent meeting next week. If you can bring the money to the meeting as well, we’ll be ahead of the game!!
- Our last day of school, **Thursday, June 6** is the same day as St. Seb’s Field Day at Wick Field. We are invited to participate in this fun day of activities as we have in the past. Again, details will follow as they unfold.

*Reflection: “It’s always inspiring to me to meet people who feel that they can make a difference in the world. That’s their motive, that’s their passion... I think that’s what makes your life meaningful, that’s what fills your own heart and that’s what gives you purpose.”*                      Maria Shriver
